## ACKNOWLEDGMENT

Anke Zimmermann uses non-invasive methods for the assessment of bodily dysfunction, and natural therapeutics for their correction, mostly homeopathy.

In order to avoid any confusion or misunderstanding, I request that all clients read and acknowledge the following:

\_\_\_\_\_ initial •That you understand that Anke Zimmermann works within the homeopathic scope of practice, is not a medical doctor, and employs some methods which are not orthodox medical practice at this time, i. e. applied kinesiology.

\_\_\_\_\_ initial •That you understand that care here and/or referral to other health professionals is based upon the assessment revealed through personal history and interview, physical assessment, laboratory testing, and sometimes methods that evaluate the electro-magnetic field of the body including applied kinesiology.

\_\_\_\_\_ initial •That you understand homeopathic care is not generally covered under MSP at the present time and, therefore, you are responsible for any fees incurred while under treatment. Homeopathic care is covered under many private insurance plans and I will do my best to provide the appropriate documentation to your insurer upon request.

\_\_\_\_\_ initial •That you are here as a client and are not attending my office for any other reason without making your intention known to myself or to the staff.

**Please be informed that you are required to give at least 1 business day notice in case you need to cancel or reschedule any appointment, including the initial one. I regret that otherwise you will be charged for the missed appointment.**

I greatly appreciate your consideration in this matter.
